April 22, 2016

Dear Parents/Guardians of Fifth Grade Students,

The Sioux Falls School District health curriculum contains a section that relates to Growth, Development, and Human Sexuality. To fulfill the requirements of our curriculum, we will be showing a DVD to the class on Thursday, April 28. The boys will see *Growing up for Boys*. The girls will see *Growing up for Girls*. Following the viewing of the DVD, students will have an opportunity to ask and discuss questions they may have about growing up. Dr. Heidi Werner and Dr. Rachel Sunne will teach the girls. Dr. Jon Bannwarth and Dr. Chris Anderson will teach the boys.

This process has worked well in the past and helps students understand some of the changes that are taking place in their bodies both physically and emotionally.

If for some reason you do not wish to have your child attend this class, please send a note to the office by Thursday, April 28.

If you have questions about the presentation, please contact Mrs. Anderson at Robert Frost.

Sincerely,

A handwritten signature in cursive script that reads "Ms. C. Werner".

Ms. C. Werner  
Principal

A handwritten signature in cursive script that reads "Mrs. Anderson".

Mrs. Anderson, RN  
School Nurse
